## TENNIS CLUB

### VOLUNTEERING

### *community corner*

We want to thank the many members who have stepped up already this year to help with various jobs around the club, from the club clean up day, to maintaining our beautiful gardens. Also thank you to those of you who have asked how you can help. We appreciate your patience, as we are in the process of compiling a list of volunteer jobs that members will be able to sign up for.

**Clubhouse Improvements:** As you will likely have noticed, the clubhouse has gotten a new look! Thank you in particular to the following people who stepped up to volunteer - painting, moving furniture and putting in lots of their spare time to help make our club even better:

*Sue & Richie Cannon who put in countless hours, Lila Klim, Doneen Buchy, Linda Durham, Lindy Fulton, Richard Armstrong, Kathy, Payne, Alison Rakis, Mario Gonzalez, Eduardo Martin, Tony Huggins, Leanne McLean, Elaine Hasemore, Alevtina Akbulatova, Jen Turner, Kym Milroy and Brian Bapty*

*Hamish Jackson*

I had the opportunity to chat with Hamish who has been a CTC member since 1971 when the club used the community centre in our lower parking lot for its tennis facilities. Hamish told me that our Board meetings and AGM were held in a room rented from the Community Recreation Department. Hamish joined the Board at a time when the club was struggling and he was asked to step in to help. True to his nature, a propensity to do the right thing, he did just that to become the clubs President. He did mention that he won by one vote...
