

SSTA to promote Indoors Singles Play over the Summer

With COVID restrictions still in place for indoor tennis, your executive is looking for ways to promote the continued use of the indoor tennis facility over the summer.

Our coaching program will be using the facility to stage their Junior programs, but adult usage will drop off with the good weather and the availability of the outdoor tennis courts.

We would like to encourage SSTA members who enjoy singles to continue using the indoor courts during the summer. This will not only help the club financially but will leave more time for doubles play on the outdoor courts. To promote singles-play during the summer we will be introducing new summer rates.

On Saturday June 19, 2021, the primetime rates for indoor courts will be reduced to \$14/hour. Non primetime rates will remain at \$12/hour.

To help promote a club atmosphere and help members find singles players at a similar level, SSTA will be introducing a **Singles Box League** for the summer period.

Starting on the weekend of June 26th and going through the summer, SSTA will be offering members the opportunity to play in Singles Box Leagues. Box Leagues set you up with players within the club of a similar level and give you a set schedule of games to play within the group and track results. Contact Blair Carley by emailing: SSTA.TennisDirector@shaw.ca to sign up for the Singles Box Leagues and get a detailed description of how the league will be structured.

The deadline for sign up to a Box League is June 10th.

Please include your name, telephone number, preferred days and times to play and your Tennis Canada rating (or best guess) in the email.

As in the past, **Block Bookings** will be available this summer session. However, unless indoor restrictions are changed, block bookings will continue to be for singles play only.

Block Bookings will be available for the summer starting the weekend of June 25th. Contact Blair Carley by emailing: SSTA.TennisDirector@shaw.ca to request your Block Booking for the summer.

The deadline for Summer Block Bookings is also June 10th.

Please state your name, telephone number and desired day and time for the block booking. Blair will try to accommodate you but he may have to make some adjustments for conflicts among bookings.
